MEMORANDUM FOR THE RECORD

Morning Meeting of 27 June 1968

25X

DD/I advised that Walt Rostow has requested a paper reviewing the deployment of Chinese troops on the Sino-Soviet border over the last three years.

DD/I indicated that Secretary Clifford has requested an assessment of how the reverse flow of enemy troops affects the figures on infiltration.

Godfrey drew attention to Gromyko's speech to the Supreme Soviet in which he discussed Soviet willingness to discuss with the U. S. deployment of offensive and defensive missile systems. (See Action 1)

Godfrey reported that the paper on North Vietnamese-Chinese relations has been completed and will be sent to Walt Rostow.

Maury advised that Senator Russell has agreed to convene a CIA Subcommittee meeting on 1 July at 10:30 a. m.
